RESULTS MODIFIED ROUND 17TH JANUARY 2009

Saturday night saw the running of round 4 for the Modifieds. With a field of over 20 cars, this was a very exciting night of racing. Some of the Albany crew did not have a very good run, with Theyer blowing his motor in warm ups. Tucker had clutch problems, and Trewern also blowing his motor later in the night. Steve Beres also had problems with his car, not making it out until his last heat. The rest of the Albany crew faired not too bad, with Bob Boyd qualifying a very satisfactory 3rd for the final. It was an excellent night of racing with all out of town drivers taking out top spots for the night.

Our next meeting on the 7th February will be a street stock feature. This should be a very interesting night, as these guys always put on an excellent show. Visiting drivers don't forget you need to nominate for the feature night with Linda Trewern on the Wednesday before we race.

All the Juniors will be gearing up for the State Title, which is to be held in Mount Barker on the 24th and 25th of January. What a huge weekend this will be, good luck to all drivers.
